FREQUENTLY ASKED QUESTIONS

What is my role as a parent while my child plays at Showtime?

We offer an adult area for parents with viewing windows. Parents of the birthday child are required to stay for all party packages. We are sorry, but we only allow birthday party participants in the gym area during parties for safety purposes. All other guests may view from our parent viewing room/party room.

How many other parties will be in the gym during my event?

At most, one additional party may be in the gym. We have the events separated and staggered so that they don't cross paths or conflict with each other. The two birthday party coordinators are exclusive to your birthday and will focus solely on your group to make the occasion special for your child.

When will my credit card be charged?

After you submit your completed forms, we will contact you via email or phone with options for dates and times. Your spot is not guaranteed until you agree on a date and time. At that point, we will charge a deposit of \$75. The remaining balance will be charged the day after your party.

Do we tip the party coordinators?

We believe that gratuity is a gesture of thanks for excellent service and is completely up to the discretion of the host whether to tip the party coordinators. If you are so inclined to leave a tip you may do so in cash paid directly to the coordinators.

How do I reserve my child's party at Showtime?

Email alexandra@showtimeapex.com to check availability and discuss packages. Once we have confirmed a date and time, you will pay a \$75 non-refundable deposit.

I need to reschedule or cancel my child's party, can I get a refund on my deposit?

We require at least 8 days advance notice if you need to cancel or reschedule your party. If you cancel or reschedule within 7 days of your event, you will be responsible for 50% of the total party price. If you cancel or reschedule your party within 48 hours of your party date, you will be responsible for 100% of the total party price. Your party must be rescheduled within 1 month of the original party date. Remember that your deposit is non-refundable, but can be applied to rescheduled parties within 1 month of the original party date.

What if there is inclement weather the day of our party?

In the event of inclement weather, we will work with you to agree on a sensible approach taking into account the current weather conditions. If we agree to reschedule the event, we will work with you to find a new date that's within three (3) months of the original date and the new reservation must be made within one (1) week of the original party date. At the time we agree to reschedule the event, the customer is responsible for 100% of the party price. Additional invitations will not be provided.

Who serves the food at my party?

Your Showtime Party Coaches will serve the food and will handle the clean-up.

Can I bring my own food to the party?

You can bring your own birthday cake or cupcakes and food/snacks/beverages. We do have a limited time frame to eat, so we do not suggest bringing too much food. Ice cream and ice cream cake are not permitted. We suggest pizza or Chick-Fil-A trays if you want to serve a meal. If you prefer just to provide snacks, we suggest items such as goldfish, chips, fruit, pretzels, etc. If you are bringing drinks, we find that Capri-Suns, juice boxes, or small water bottles are ideal.

Does Showtime provide balloons or can balloons be purchased at Showtime?

Yes, we have balloons but they must be purchased in advance so that we may have them available at the party.

What is included in the 'Themed Party' package?

You will select from a list of themes provided by Showtime. Included in this package are: selected theme plates, napkins, silverware, tablecloths, E-invites, hanging and wall decor in the party room and front lobby. The cost is \$50.

Can I bring my own decorations to my kid's party?

Yes, you are allowed to bring your own decorations. Please take home any decorations you bring to Showtime. Silly string and confetti are not allowed. An additional cleaning fee may be assessed for excessive clean-up or damage. Party hosts are responsible for setting up any décor they bring.

What should my child and their guests bring to the Sleep-under party?

You may choose the 'movie' activity, where the birthday child and their guests are encouraged to bring their PJ's to change into, blanket, pillow, and favorite stuffed animal.

What happens if my child wants to go home in the middle of a Sleep-under?

The parent of the birthday child should have all the guests' contact information in case they need to be called. If a child does not want to stay late, it is the responsibility of the birthday child's parent to contact the party guests' parents and arrange for them to pick up.

When do I need to provide Showtime a final headcount?

You will need to provide us with a final headcount 72 hours prior to the party. This will allow us to make any final adjustments to your party package. At this time, any additions or changes can be made to the party. After the 72-hour deadline, the package cannot be altered and the remainder of your balance will be charged the day before your party. E-mail alexandra@Showtimeapex.com to confirm your headcount.

How many guests can I invite to my kid's party?

Please refer to the individual birthday packages for the designated guest count. Additional guests are welcome!* There is a \$10 charge per additional guest over the number included in your party package. There is a limit of 10 additional guests per party. Please contact alexandra@Showtimeapex.com to inquire about pricing for larger parties.

What time should the host and guests arrive at the party?

We will have everything set up for you, so if the host and guests want to arrive early, 15 minutes is plenty of time. We will begin stretching and do introductions at the start of the party so that late guests won't miss too much.

Do my guests need to complete a waiver?

All guests will need to complete a waiver unless they are currently enrolled in our program. Waivers can be provided to you via email or can be completed at drop off and must be returned signed on the day of the party.

Are parents allowed in the gym during the party?

We are sorry, but for safety purposes, we only allow birthday party participants in the gym area during parties. Parents and siblings may view from our parent viewing room/party room.
